

TUBE STRIKE

Tuesday 9th June 2009

'If the strike goes ahead it will affect services from approximately 19:00 on Tuesday 9 June. There will be a significant impact on Tube services and they will not return to normal until Friday morning 12 June, unless the strike is resolved.' (TFL website)

Keep up to date and find alternative routes at TFL's website: www.tfl.gov.uk

FIE Field Trips

If you have any co-curricular activities for your courses, please ensure you carefully read any information sent from FIE as events may be re-scheduled, alternative routes may be given and venues may be changed.

FIE's Tips for Travelling During a Tube Strike:

1. Give yourself EXTRA time before travelling!
2. Carry your RED HANDY MAP & GUIDE
3. Use your FEET! To find routes and distances visit: www.walkit.com
(carry an umbrella!)
4. Buses (most people will be on buses so expect crowds and follow tip #1!)
5. Overground trains are not affected by the strike so this may be an option:
www.tfl.gov.uk or www.nationalrail.co.uk

Internship Students

The commute to and from your internship will be effected by the strike, so it is essential that you find an alternative route to work. We recommend that you ask your colleagues for suggestions on the best way to commute, avoiding the tube. Please remember the journey could take twice as long or even longer, so please leave yourself plenty of time! (Follow tip #1!)

For further assistance or queries, please feel free to contact the [Student Life Team](#) or [Experiential Education office](#) in regards to your internship.
